INDEPENDENT AUDITOR'S REPORT

To the Directors of World Teacher Aid

We have audited the accompanying financial statements of World Teacher Aid, which comprise the statement of financial position as at December 31, 2015 and the statements of revenues and expenditures and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, World Teacher Aid derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of World Teacher Aid. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the year ended December 31, 2015, current assets and net assets as at January 1, 2015 and December 31, 2015

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of World Teacher Aid as at December 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for private enterprises.

Other Matter

The prior year comparative financial statements were subject to a review engagement and are therefore unaudited.

WORLD TEACHER AID
NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2015

1. PURPOSE OF THE ORGANIZATION

World Teacher Aid is a not-for-profit organization committed to improving education throughout the developing world by providing education training programs and infrastructure development. The organization is incorporated without share capital under the Canada Not-for-Profit Corporations Act and is a registered charity under the Income Tax Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The unaudited financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and are in accordance with Canadian generally accepted accounting principles.

Revenue recognition

The organization follows the deferral method of accounting for contributions. Externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Write-to-Give book sales are recognized when title passes to the customer which normally coincides with the delivery of the books.

Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies have been translated into Canadian dollars at the year end exchange rate. Non-monetary assets have been translated at the rate of exchange prevailing at the transaction date. Revenues and expenditures have been translated at the prevailing month end closing rate of exchange.

Foreign exchange gains and losses arising from these translation policies are included in the statement of revenue and expenditures.

Contributed materials and services

World Teacher Aid is dependent on the voluntary services of its Directors. Contributed materials and services are not recorded in these financial statements.

3. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments. The following analysis provides information about the organization's risk exposure and concentration as of December 31, 2015:

Currency risk

Currency risk is the risk to earnings that arise from fluctuations of foreign exchange rates and the degree of volatility of these rates. The organization is in receipt of US denominated contributions and its charitable program expenditures are primarily in US dollars. At year end, the organization is exposed to foreign currency exchange risk on its US dollar bank account.

There have been no changes in the organization's risk exposures from the prior year.
